

Instructional Poster

Adding and Subtracting Integers

Your job is to make an instructional poster that includes step by step methods of solving the following:

1. Adding Integers Using Tiles
2. Subtracting Integers Using Tiles
3. Adding Integers Using a Number Line
4. Subtracting Integers Using a Number Line

You should provide a drawing and creativity is encouraged. Be sure that you colour your poster! Use resources such as your notes, homework book, textbook, and the Internet to guide you.
